

NUTRI-WEST
Upper Midwest
and the

Michigan Association of Chiropractors

PRESENT:

Live Long & Pain-Free

November 9 & 10, 2024

12 CE's Michigan (incl. in reg.)

with

Dan Murphy DC, DABCO

Renowned international speaker and expert on pain and proprioceptive neurology; author and Professor at Life Chiropractic College West.

Break the Chain of Pain! The #1 condition sending patients to your office. Dr. Dan Murphy always provides a look at the cutting edge research and how it relates to relevant topics. What could be more relevant than information on dealing with the affliction of pain, or addressing longevity and a pain-free life?

Live Long and in Health! By recognizing the latest scientific discoveries of how we age and what we can do about it, Longevity becomes a realistic goal! This highly acclaimed and energetic seminar inspires all those who attend.

Dr. Dan presents research and recent cases, never failing to thrill with exciting news in the field and efficacious practical applications for patient protocols! Provides invaluable insight into the best possible programs for optimal health and support for pain, inflammation and longevity.

COURSE OVERVIEW:

- Review recent advances in nutrition and lifestyle protocols that support longevity, quality of life and a pain-free environment.
- Learn how adjustments affect the suprasegmental descending pain inhibitory control system for pain management.
- Learn about the discovery of the opiate receptor and its influence on pain perception.
- Review studies pertaining to the chiropractic and nutritional management of chronic pain syndromes.
- Review the connection between the microbiome, longevity, pain and chiropractic.
- And much more!
